

# I Can Only. (feat. Alessia Cara)

JoJo

I learned the hard way on how to let go  
So here we go  
Feel the adrenaline takin' control  
Get high, no low  
This moment of truth hidden under my tongue  
No longer numb  
Running like rain when I thought it dried up  
Can't get enough I'm climbing up these walls  
I'm invincible  
Even if I fall  
I fall on me  
Got myself alive  
Up here in the sky  
My ecstasy  
I can only drink what I wanna drink  
I can only say what I wanna say  
I can only think what I wanna think  
Don't hate me, don't hate  
I can only love who I wanna love  
I can only smoke what I wanna smoke  
I can only fuck who I wanna fuck  
Don't hate me, don't hate  
I-I I can only, I-I I can only, I-I I can only  
Don't hate me, don't hate All that you gettin' is all that you see  
I'm cool with it  
Nothing else ever made much sense to me  
I'm not doing it  
I'm climbing up these walls  
I'm invincible  
Even if I fall  
I fall on me  
Got myself alive  
Up here in the sky  
My ecstasy I can only do what I wanna do  
I can only say what I wanna say  
I can only think what I wanna think  
Don't hate me, don't hate  
I can only love who I wanna love  
I can only look how I wanna look  
I can only be what I wanna be  
Don't hate me, don't hate  
I-I I can only, I-I I can only, I-I I can only

Don't hate me, don't hate  
I-I I can only, I-I I can only, I-I I can only Pour a drink and own it up  
Here's a toast, there's only one I can only drink what I wanna drink  
I can only say what I wanna say  
I can only think what I wanna think  
Don't hate me, don't hate  
I can only love who I wanna love  
I can only smoke what I wanna smoke  
I can only fuck who I wanna fuck  
Don't hate me, don't hate  
I-I I can only, I-I I can only, I-I I can only  
Don't hate me, don't hate  
I-I I can only, I-I I can only, I-I I can only
