## The Weeknd

I'm good, I'm good, I'm great  
Know it's been a while, now I'm mixing up the drank  
I just need a girl who gon' really understand  
I just need a girl who gon' really understand I'm good, I'm good, I'm great  
Know it's been a while, now I'm mixing up the drank  
I just need a girl who gon' really understand  
I just need a girl who gon' really understand And I've seen her get richer in the pole  
I've seen her, I knew she had to know  
I've seen her take down that tequila  
Down by the liter, I knew I had to meet her  
Ooh, she mine  
Ooh girl, bump and grind  
Ooh, she mine  
Ooh girl, bump a line  
Angelina, lips like Angelina  
Like Selena, ass shaped like Selena  
I'm like, got up, thank the Lord for the day  
Woke up by a girl, I don't even know her name  
Woke up by a girl, I don't even know her name  
(Woke up, woke up by a girl, I don't even know her name) Got up, thank the Lord for the day  
Woke up by a girl, I don't even know her name  
Woke up by a girl, I don't even know her name  
(Woke up, woke up by a girl, I don't even know her name) I'm good, I'm good, I'm great  
Know it's been a while, now I'm mixing up the drank  
I just need a girl who gon' really understand  
I just need a girl who gon' really understand I'm good, I'm good, I'm great  
Know it's been a while, now I'm mixing up the drank  
I just need a girl who gon' really understand  
I just need a girl who gon' really understand  
I've been poppin', just took three in a row  
I'm down to do it again, I'm on a roll  
I've seen him outside tryna reach her  
You tryna leave him, you said I'm the reason  
Tell me lies  
Ooh girl, tell me lies  
Say you're mine, I'm yours for the night  
I'm the realest, she said I'm the realest  
Head be genius, dick game be the meanest I'm like, got up, thank the Lord for the day  
Woke up by a girl, I don't even know her name  
Woke up by a girl, I don't even know her name  
(Woke up, woke up by a girl, I don't even know her name) Got up, thank the Lord for the day  
Woke up by a girl, I don't even know her name

Had to check the safe, check the dresser for my chainsGot up, thank the Lord for the day
