

# Hold On

Gary Clark Jr.

What we gonna do with you  
We got everything to lose with you, so  
What are we gonna. do with you.  
Im not out to steal your money  
I dont wanna take your time  
I do deserve a little respect, so  
I'm gonna get what is mine, cause. Yeah  
Seem like old news, the whole world gone crazy  
What am I gonna do  
What am I gonna tell my babes, when  
They dont understand  
My pressure my struggle, my demand. Yeah  
Back then, I didnt understand why my pops came home saying  
that he couldnt take it, but  
Its hard to be a good man knowing that a mans plan  
is to take what you're making.  
Hold on, were gonna make it. Yeah  
Hold on, were gonna make it. Yeah  
Hold on, were gonna make it. Yeah  
Hold on, were gonna make it. Yeah  
Seem like new news,  
is the old news from a different angle.  
Another mother on T.V,  
crying cause her boy didnt make it.  
She sayin,  
"What am I gonna do, what am I gonna tell these baby. Yeah  
Y'all dont understand"  
Oh no, Ya'll dont understand.  
What are we gonna do with you?  
Hold on, were gonna make it. Yeah  
Hold on, were gonna make it. Yeah  
Hold on, were gonna make it. Yeah  
Hold on, were gonna make it. YeahCome on.  
Yeah  
God bless your soul, try.
