

# Till It's Over

## Tristram

We don't care what they say  
We will be here all day  
We'll stay here till it's over  
Till the world's out of sight  
We will stand  
We will fight

It's not over till it's over As I fell to the ocean floor

Feeling light through an open door  
Saw myself rise with the water  
They thought they could keep me down,  
Hold their breath and watch me drown,  
but all they did has pushed me higher.

We don't care what they say  
We will be here all day  
We'll stay here till it's over  
Till the world's out of sight  
We will stand  
We will fight

It's not over till it's over  
Through the night and the rain  
Through the time and the pain  
We'll stand and we'll never fall  
And then at the end of it all  
We will win, we will chant  
It's not over till it's over.
