

# If You Were There

## Wham!

Come baby You're the one that makes my day a dream come true  
Yet and still you wonder if I think of you  
You ought to see how the other girls behave when you're not around  
And only then you would know that it's on your finger I'm wound  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
That I care There's no need for you not to have faith in me, no  
'Cause it's by your side girl that I long to be  
Yes, there are times with my friends when I don't have much to say  
What you don't know is with you I could never act that way  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
That I care I care for you baby  
I swear that I care  
I care There's no need for you not to have faith in me, no  
'Cause it's by your side girl that I long to be  
Yes, there are times with my friends when I don't have much to say  
What you don't know is with you I could never act that way  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
That I care  
I care for you baby  
I, I, I swear  
I care for you baby  
And you  
Have faith in me  
I care for you baby
