

Something to Remind You

Staind

So this is it...
I say goodbye
To this chapter of my ever-changing life
And there's mistakes
The path is long
And I'm sure I'll answer for them when I'm gone
So when the day comes and the sun won't
touch my face
Tell the ones who cared enough that I've finally left this place...
That's been so cold
Look in my face
All the stories it will tell, I can't erase
The road is long
Just one more song
A little something to remind you when I'm gone
When I'm gone...
The road to Hell
Along the way...
Is paved with good intentions
So they say...
And some believe
That no good deed
Goes unpunished in the end, or so it seems
So when the day comes and the sun won't touch my
face
Tell the ones who care enough that I've finally left this place...
That's been so cold
Look in my face
All the stories it will tell, I can't erase
The road is long
Just one more song
A little something to remind you when I'm gone
When I'm gone...
So this is it...
I say goodbye
To this chapter of my ever-changing life
And there's mistakes
The path was long
And I'm sure I'll answer for them when I'm gone
When I'm gone.
