

# Harlem's Nocturne

Alicia Keys

Drop it  
Yeah, yeah  
Come in for a minute  
Welcome back  
It's just me and you in this room right now  
There's so many things that are on my mind  
Uh, yeah, uh  
Sometimes that's hard to say  
That's why I take all I've got  
That's why I take all I have  
And I put it into this  
Put it right here in my diary  
Can you feel it?  
Uh, uh, uh  
Take this journey with me
