

Can't Help Falling In Love

[Marty Robbins](#)

Wise men say only fools rush in
But I can't help falling in love with you Shall I stay would it be a sin
If I can't help falling in love with you Like a river flows
Surely to the sea
Darling so it goes
Some things were meant to be
Take my hand take my whole life to
Cause I can't help falling in love with you Like a river flows
Surely to the sea
Darling so it goes
Some things were meant to be
Take my hand take my whole life to
Cause I can't help falling in love with you
Cause I can't help falling in love with you
