

So There

Alexa Goddard

Yeah yeah yeah yeah
Yeah yeah yeah yeah Its kinda feeling like crunch time
Cause we're getting close
I'm thinking that you and I need some time alone
We should run up and jump in
Cause the water is warm
I really wanna say that we should wait
I'm so turn
Cause if I'm not with you tonight
You'll be going round in my mind
Why do we try
We do it cause it feels right
If you just just give me one more reason to love you
Then I swear, I'm so there
You should just just kiss me, cause you really want to
Then I swear, I'm so there
Yeah, yeah, yeah, yeah
I'm so there
Yeah, yeah, yeah, yeah
I'm so there See if you don't want to waste it
Cause it's hotter than gold
I'm thinking that you I need to rock the boat
Cause if I'm not with you tonight
You'll be going round in my mind
Why do we try
We do it cause it feels right
If you just just give me one more reason to love you
Then I swear, I'm so there
You should just just kiss me, cause you really want to
Then I swear, I'm so there
Yeah, yeah, yeah, yeah
I'm so there
Yeah, yeah, yeah, yeah
I'm so there Wants I feel that love yeah
There will be no turning back
Cause we started something
See the fire turn to black
We know it's bad
But I like that oh If you just just give me one more reason to love you
Then I swear, I'm so there
You should just just kiss me, cause you really want to
Then I swear, I'm so there

Yeah, yeah, yeah, yeah

I'm so there

Yeah, yeah, yeah, yeah

I'm so there

Yeah, yeah, yeah, yeah

I'm so there

Yeah, yeah, yeah, yeah

I'm so there
