

# Don't Be Afraid

## Heavy D

Big Dadda, tell me who's hotta  
Cuban cigar, burn steady non stoppa  
International, one chief rocker  
Like your dipability  
Jiggy jiggy, heavy heavy  
Baby do you want me?  
Trust me, ain't to many fly like me  
And deep down inside you admirin' me  
I've been digging you long time  
She a dime wishing you was a friend of mine  
God bless nothing less give you more  
And all you gotta do is tell me what you looking for...
