

# Tremendous Dynamite

## Eels

I am El Hombre Lobo  
On the prowl for a restless night  
I got her right here in my sights  
Got a fuse that I can light  
She's tremendous, she's dynamiteShe is a formidable opponent  
She could put up a hard-won fight  
Got her head screwed on real tight  
Bein' the bomb is her birthright  
She's tremendous, she's dynamiteShe's tremendous dynamite  
I am El Hombre Lobo  
On the prowl just past midnight  
Dartin' under the town searchlights  
It's all worth it to take a bite  
She's tremendous, she's dynamite
