

# Early Mourning

## Alesana

Last night I forgot  
How the sound of your voice whispered sweet  
Goodbyes,  
Your eyes, left to die  
I'm alone to understand why Why not one more night?  
One last kiss goodbye?  
My sweet love tonight  
I hope the stars  
Still spell out your name  
Where you are...  
Kiss my closing eyes  
Help me sleep  
Without you I'm so lost  
Tonight I cry  
Tell me why  
I can't live without your warm embrace Why not one more night?  
One last kiss goodbye?  
My sweet love tonight  
I hope the stars still  
Spell out your name  
Where you are... I close my eyes and you are everything I see  
Goodbye  
Goodbye to you my love  
I won't forget you  
I'll see you soon  
Goodbye my love  
Goodbye to you my love  
I won't forget you  
Let me live
