

Over My Shoulder

MIKA

Over my shoulder
Running away
Feels like I'm falling
Losing my dayCold and dry
Cold and dryFog out my daylight
Torture my night
Feels like I'm falling
Far out of sight
Cold, drunk
Time lostOver my shoulder
Running away
Feels like I'm falling
Losing my wayCold, dry
Cold and dry
Fork out my daylight
Torture my night
Feels like I'm falling
Far out of sightCold, drunk
Cold and drunk
