

# For You I Will

## Monica

When you're feeling lost in the night  
When you feel your world just ain't right  
Call on me, I will be waiting  
Count on me, I will be there  
Anytime the times get too tough  
Anytime your best ain't enough  
I'll be the one to make it better I'll be there to protect you, see you through  
I'll be there and there is nothing I won't do I will cross the ocean for you  
I will go and bring you the moon  
I will be your hero, your strength  
Anything you need  
I will be the sun in your sky  
I will light your way for all time  
Promise you, for you I will  
I will shield your heart from the rain  
I won't let no harm come your way  
Oh, these arms will be your shelter  
No, these arms won't let you down  
If there is a mountain to move  
I will move that mountain for you  
I'm here for you, I'm here forever I will be your fortress, tall and strong  
I'll keep you safe, I'll stand beside you, all along I will cross the ocean for you (I will cross the  
ocean)  
I will go and bring you the moon (yeah, yeah, yeah)  
I will be your hero, your strength (oh, your strength)  
Anything you need (and I will be)  
I will be the sun in your sky (your sun)  
I will light your way for all time (time)  
Promise you, for you I will  
Yeah, yeah  
For you I will  
Lay my life on the line  
For you I will fight, oh  
For you I will die  
With every breath, with all my soul  
I give my word, I'll give it all  
Put your faith in me  
And I'll do anything I will cross the ocean for you (I will cross the ocean, ocean)  
I will go and bring you the moon  
I will be your hero, your strength (oh, I can be your hero)  
Anything you need (I will be)  
I will be the sun in your sky (oh)

I will light your way for all time (time)  
Promise you, for you I will (promise you, for you I will)I will, I will, I willI will cross the  
ocean for you

I will go and bring you the moon  
I will be your hero, your strength  
Anything you need (let me be your hero)  
I will be the sun in your sky (yeah, yeah, baby)

I will light your way for all time  
Promise you, for you I will (I promise you)  
I promise you, for you I will (promise, whoa)

I promise you  
For you I, I will
