

# Heartbeat

Wham!

Another summer, another vacation is over  
A September morning with the sun and the smell of the clover  
Down by the gate we sit and we watch all our friends go by  
And pretend we don't hear the bell that rings through the summer sky  
I was happy with the  
kisses she gave me  
It's just that happy was all she made me  
Happy that was until I saw you  
Heartbeat, heartbeat, what do you fail me now?  
Oh you hurt me, desert me in my darkest hour  
Heartbeat heartbeat, why do you keep me here?  
How could I help but admire her beauty  
Standing on the line between desire and duty  
Heartbeat heartbeat, it'll end in tears  
I need a lover when love is such dangerous place to be  
Oh if we were meant for each other then why don't you answer me  
Don't keep me waitin', you know that I long to be by your side  
We could even be together tonight  
I was happy with the kisses she gave me  
But now there's nothing on earth could save me  
Why should I care, I can't have you  
Heartbeat, heartbeat, what do you fail me now?  
You hurt me, desert me in my darkest hour  
Heartbeat heartbeat, why do you keep me here?  
How could I help but admire her beauty  
Standing on the line between desire and duty  
Heartbeat heartbeat, it'll end in tears  
Heartbeat, heartbeat, what do you fail me now?  
Oh you hurt me, desert me in my darkest hour  
Heartbeat heartbeat, why do you keep me here?  
How could I help but admire her beauty  
Standing on the line between desire and duty  
Heartbeat, heartbeat, what do you fail me now?  
You hurt me, desert me in my darkest hour  
Heartbeat heartbeat, why do you keep me here?  
How could I help but admire her beauty  
Standing on the line between desire and duty
