

# Bitch, Don't Kill My Vibe (feat. JAY Z)

Kendrick Lamar

I am a sinner who's probably gonna sin again  
Lord, forgive me! Lord, forgive me!  
Things I don't understand  
Sometimes I need to be alone  
Bitch, don't kill my vibe!  
Bitch, don't kill my vibe!  
I can feel your energy from two planets away  
I got my drink, I got my music  
I would share it, but today I'm yelling  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Look inside of my soul  
And you can find gold and maybe get rich  
Look inside of your soul and you can find out it never exist  
I can feel the changes  
I can feel a new life, I always knew life can be dangerous  
I can say that I like a challenge and you tell me it's painless  
You don't know what pain is  
How can I paint this picture  
When the color blind is hangin' with you?  
Fell on my face and awoke with a scar  
Another mistake livin' deep in my heart  
Wear it on top of my sleeve in a flick  
I can admit that it did look like yours  
Why you resent every making of this?  
Tell me your purpose is petty again  
But even a small lighter can burn a bridge  
Even a small lighter can burn a bridge  
I can feel the changes  
I can feel the new people around me just want to be famous  
You can see that my city found me  
Then put me on stages, to me that's amazin'  
To you that's a quick check  
With all disrespect, let me say this  
I am a sinner who's probably gonna sin again  
Lord, forgive me! Lord, forgive me!  
Things I don't understand  
Sometimes I need to be alone  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
I can feel your energy from two planets away  
I got my drink, I got my music  
I would share it, but today I'm yelling

Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Bitch, don't kill my vibe! Bitch, don't kill my vibe! I'm tryin' to keep it alive  
And not compromise the feeling we love  
You're tryin' to keep it deprived  
And only co-sign what radio does  
And I'm lookin' right past you  
We live in a world, we live in a world on two different axles  
You live in a world, you livin' behind the mirror  
I know what you scared of  
The feeling of feeling emotions inferior  
This shit is vital, I know you had to  
This shit is vital, I know you had to  
To die in a pitiful vain, tell me a watch and a chain  
Is way more believable, give me a feasible gain  
Rather a seasonal name  
I'll let the people know this is somethin' you can blame  
On yourselves, you can remain stuck in a box  
I'ma break out and then hide every lock  
I'ma break out and then hide every lock  
I can feel the changes  
I can feel the new people around me just want to be famous  
You can see that my city found me  
Then put me on stages, to me that's amazin'  
To you that's a quick check  
With all disrespect, let me say this  
I am a sinner who's probably gonna sin again  
Lord, forgive me! Lord, forgive me!  
Things I don't understand  
Sometimes I need to be alone  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
I can feel your energy from two planets away  
I got my drink, I got my music  
I would share it, but today I'm yelling  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Bitch, don't kill my vibe!  
You ain't heard the Coast like this in a long time  
Don't you see that long line?  
And they waiting on Kendrick like the first and the fifteenth  
Threes in the air, I can see you are in sync  
Hide your feelings, hide your feelings  
Now what you better do  
I'll take your girlfriend and put that pussy on a pedestal  
Bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Walk out the door and they scream it's alive  
My New Year's resolution is to stop all the pollution  
Talk too motherfuckin' much, I got my drink, I got my music  
I say bitch, don't kill my vibe! Bitch, don't kill my vibe!  
Bitch, don't kill my vibe! Bitch, don't kill my vibe! [Death to Molly] Aye, K-Dot, get in the car,

nigga!  
Come on, we finna roll out!  
Nigga, I got a pack of blacks and a beat CD  
Get yo' freestyles ready!
