

Baby Come Over

[Adina Howard](#)

Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Here I sit alone on a Saturday night
feeling kinda horny
Boy I ain't cool 'cos I'm missing you
But you're so far away baby, and I need you here by my side
There's so many kinky things we can do tonight
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Baby just a simple touch the little things mean so much to me
I'll do any thing for you, if you ask me to I'll be there for you
And baby I know you got a woman at home, you can never be alone
To me, but it's alright, 'cos all I need is tonight, come see about me
Tonight is the night to
make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
And we can do some kinky things
Check your heart, well don't you want to ride
Let's take our time, baby let's take it nice and
slow
Baby I'll do you right, boy I'll make it good to you
All I wanna do is make sweet love to you
So don't make me wait too long, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night
