

Greater Is He

Jeremy Passion

Sitting here contemplating, debating over what it really means to be known as Passion
(Passion).

Stardust in my eyes and the other stars prides itself so twisted, I haven't decided.
So I ask myself, in fear of what the Lord may say to me, knowing that to let go of my pride, and
trust the Lord my God completely, so completely.

And he said, Greater is He that is in me than he that is in the world, that is my answer (answer).

Cause you don't need to taste the poison to realize it's poison and it's taken over you.

So I choose Him.

I choose Him, ye-eah.

Sitting here contemplating, it's another situation, and I don't know what to do, oh.
Cause she's so fine and I know that she's not mine for the taking, so God I got to give this one
to you and ask myself.

Lord, I'm calling my angel from above, even though I know it's lust and not your love.

So I know there's something wrong with my decisions, so please renew my visions.

And he said, Greater is He that is in me than he that is in the world, that is my answer (answer).

Cause you don't need to taste the poison to realize its poison and it's taken over you.

So I choose Him.

I choose Him, ye-eah.

Lord, I give you my heart, my mind, and my soul (my soul), so take complete control.

I give up pride, my joys and my passions, not to me but all to you.

To you to you (skip uh duh buh duh buh dee bee.

etc.)

And he said, Greater is He that is in me than he that is in the world, that is my answer (answer).

Cause you don't need to taste the poison to realize its poison and it's taken over you.

So I choose Him.
