

# Lonely If You Are

Chase Rice

If it's Friday, you know where I'll be  
Kickin' back with the boys down at Santos Pub  
But don't hesitate, don't even think about waiting, I'll just type it up  
Yeah, I'm ready if you're ready or wonderin'  
Stop thinking, hit send Doesn't matter if it's last call from a late night sidewalk  
A little too buzzed, a little too drunk  
You could have your hair down, all curled up on the couch  
And the quiet ain't loud enough  
It could be A.M. or P.M.  
It could be middle of the week or the weekend baby  
It ain't too late or too far  
Just call me 'cause I'm lonely  
If you are, if you are  
Yeah, I'm lonely if you are  
If you are, if you are  
Yeah, I'm lonely if you are  
If it's Monday and it's over  
You know the show your girls all come over for  
And the red wine's getting lower  
And your last friend's out the door  
When there's no more roses to go around  
Hit me up girl, you know I'm down It doesn't matter if it's last call from a late night sidewalk  
A little too buzzed, a little too drunk  
You could have your hair down, all curled up on the couch  
And the quiet ain't loud enough  
It could be A.M. or P.M.  
It could be middle of the week or the weekend baby  
It ain't too late or too far  
Just call me 'cause I'm lonely  
If you are, if you are  
Yeah, I'm lonely if you are  
If you are, if you are  
Yeah, I'm lonely if you are  
Oh, let me love the lonely right out of you  
Oh, let me love the lonely right out of you  
Oh yeah, if you're out there and lonely girl, I'm lonely too  
So let me love the lonely right out of you It doesn't matter if it's last call from a late night  
sidewalk  
A little too buzzed, a little too drunk  
You could have your hair down, all curled up on the couch  
And the quiet ain't loud enough  
It could be A.M. or P.M.

It could be middle of the week or the weekend baby  
It ain't too late or too far  
Just call me 'cause I'm lonely  
If you are, if you are  
Yeah, I'm lonely if you are  
If you are, if you are  
Oh, I'm lonely if you are
