

Realize

School Boy Humor

Take time to realize,
That your warmth is crashing down on in
Take time to realize,
That I am on your side
Didn't I, didn't I tell you But I can't spell it out for you,
No it's never gonna be that simple
No I can't spell it out for you If you just realize what I just realized,
Then we'd be perfect for each other
And will never find another
Just realized what I just realized
We'd never have to wonder if
We missed out on each other now
Take time to realize
Oh-oh I'm on your side
Didn't I, didn't I tell you
Take time to realize
This all can pass you by didn't I tell you But I can't spell it out for you,
No it's never gonna be that simple
No I can't spell it out for you If you just realized what I just realized
Then we'd be perfect for each other
Then we'd never find another
Just realized what I just realized
We'd never have to wonder if
We missed out on each other now
It's not always the same
No it's never the same
If you don't feel it to
If you meet me half way
If you would meet me half way
It could be the same for you If you just realized what I just realized
Then we'd be perfect for each other
Then we'd never find another
Just realized what I just realized
We'd never have to wonder
Just realized what I just realized
