

Work

Omarion

Got your uniform on already
I know your day was long
And your pay was wrong
Uniform on already So go and get you in the shower in the water
I'm gonna stay dry with 10000
All on your body. It's like power
Giving you energy to work Getting that
Getting that raise that you deserve
Cause understand it baby All I wanna get you in the shower no water
Hard to stay dry with 10, 000
All on your body
You're so ambitious baby
All I wanna get you in the shower no water
Hard to stay dry with 10, 000
I think you're ready for a new position Baby All I wanna get you in the shower no water
Hard to stay dry with 10, 000
All on your body like power
Giving you energy All I wanna get you in the shower no water
Hard to stay dry with 10, 000
All on your body
Giving you that energy Girl, you got my permission to take off from work
Tomorrow I'll commission you
Baby you are the work
I vouch you're a magician
And you got me trickin'
So much money on the floor
Ready to go
Don't matter what your rent is
You got me tricking
So much money on the floor
I'm ready to go
It don't matter what your rate is Girl, you got my permission to take off the work tomorrow
