

peace

Taylor Swift

Our coming of age has come and gone
Suddenly this summer it's clear
I never had the courage of my convictions
As long as danger is near
And it's just around the corner, darlin'
'Cause it lives in me
No, I could never give you peace But I'm a fire and I'll keep your brittle heart warm
If your cascade ocean wave blues come
All these people think love's for show
But I would die for you in secret
The devil's in the details
But you got a friend in me
Would it be enough
If I could never give you peace?
Your integrity makes me seem small
You paint dreamscapes on the wall
I talk shit with my friends
It's like I'm wastin' your honor And you know that I'd
Swing with you for the fences
Sit with you in the trenches
Give you my wild, give you a child
Give you the silence that only comes when two people understand each other
Family that I chose now that I see your brother as my brother
Is it enough?
But there's robbers to the east
Clowns to the West
I'd give you my sunshine
Give you my best
But the rain is always gonna come
If you're standing with me
But I'm a fire and I'll keep your brittle heart warm
If your cascade ocean wave blues come
All these people think love's for show
But I would die for you in secret
The devil's in the details
But you got a friend in me
Would it be enough
If I could never give you peace?
Would it be enough
If I could never give you peace?
Would it be enough
If I could never give you peace?
