

# These Walls (feat. Bilal, Anna Wise & Thundercat)

Kendrick Lamar

I remember you was conflicted, misusing your influence  
Sometimes, I did the sameIf these walls could talk  
If these walls could talk  
If these walls could talk  
If these walls could talk  
If these walls could talk  
SexShe just want to close her eyes and sway  
With you, with you, with you  
Exercise her right to work it out  
It's true, it's true, it's true  
Shout out to the birthday girls, say hey (Hey), say hey (Hey)  
(Ah, girl)  
Everyone deserves a night to play (Play)  
And she plays only when you tell her no  
If these walls could talk  
(I can feel your reign when it cries, gold lives inside of you)  
If these walls could talk  
(I love it when I'm in it, I love it when I'm in it)If these walls could talk, they'd tell me to swim  
good  
No boat, I float better than he would  
No life jacket, I'm not the God of Nazareth  
But your flood can be misunderstood  
Walls telling me they full of pain, resentment  
Need someone to live in them just to relieve tension  
Me, I'm just a tenant  
Landlord said these walls vacant more than a minute  
These walls are vulnerable, exclamation  
Interior pink, color coordinated  
I interrogated every nook and cranny  
I mean, it's still amazing, before they couldn't stand me  
These walls want to cry tears  
These walls happier when I'm here  
These walls never could hold up  
Every time I come around, demolition might crush  
If these walls could talk  
(I can feel your reign when it cries, gold lives inside of you)  
If these walls could talk  
(I love it when I'm in it, I love it when I'm in it)If these walls could talk, they'd tell me to go  
deep

Yelling at me continuously, I can see  
Your defense mechanism is my decision  
Knock these walls down, that's my religion  
Walls feeling like they ready to close in  
I suffocate, then catch my second wind  
I resonate in these walls  
I don't know how long I can wait in these walls  
I've been on the streets too long  
Looking at you from the outside in  
They sing the same old song  
About how they walls always the cleanest  
I beg to differ, I must've missed them  
I'm not involved, I'd rather diss them  
I'd rather call on you, put your wall up  
Cause when I come around, demolition gon' crush  
If these walls could talk  
(I can feel your reign when it cries, gold lives inside of you)  
If these walls could talk  
(I love it when I'm in it, I love it when I'm in it) If your walls could talk, they'd tell you it's too  
late

Your destiny accepted your fate  
Burn accessories and stash them where they are  
Take the recipe, the Bible and God  
Wall telling you that commissary is low  
Race wars happening, no calling CO  
No calling your mother to save you  
Homies to say you're reputable, not acceptable  
Your behavior is Sammy Da Bull like  
A killer that turned snitch  
Walls is telling me you a bitch  
You pray for appeals hoping the warden would afford them  
That sentence so important  
Walls telling you to listen to "Sing About Me"  
Retaliation is strong, you even dream 'bout me  
Killed my homeboy and God spared your life  
Dumb criminal got indicted same night  
So when you play this song, rewind the first verse  
About me abusing my power so you can hurt  
About me and her in the shower whenever she horny  
About me and her in the after hours of the morning  
About her baby daddy currently serving life  
And how she think about you until we meet up at night  
About the only girl that cared about you when you asked her  
And how she fucking on a famous rapper  
Walls could talk I remember you was conflicted  
Misusing your influence  
Sometimes I did the same  
Abusing my power, full of resentment  
Resentment that turned into a deep depression

Found myself screaming in a hotel room
