

I Will Follow You

Toulouse

I will follow you Follow you wherever you may go

There isn't an ocean too deep
A mountain so high it can keep

Keep me away
Away from my love

I love you

I love you

I love you Where you go, I follow

I follow

I follow You'll always be my true love

My true love

My true love

Forever

I will follow you Every since you touched my hand, I knew

Near you, I always must be
Nothing can keep you from me

You are my destiny I love you

I love you

I love you I love you

I love you

I love you Where you go, I follow

I follow

I follow You'll always be my true love

My true love

My true love

Forever

I will follow you Follow you wherever you may go

There isn't an ocean too deep
A mountain so high it can keep

Keep me away

Away from my love
