

# Lullaby

Chase Coy

You can rest easy tonight.  
Everything is gonna be alright. I promise.  
Go to sleep and dream of me tonight.  
Everything may not be perfect. But at least we try. So tonight, sweet dreams and sleep tight.  
I've been trying so hard.  
Can't get you out of my mind.  
And if this is how it has to be.  
Just promise you won't forget me.  
And I'll leave you with this lullaby, tonight.  
I know that this hurts you.  
It hurts me, too.  
I wish there was something I could do.  
To make it easier for you.  
Sometimes it's tough.  
Too soon to call it love.  
But I wanted to.  
Yeah I wanted to.  
But it's too late now to say.  
All the wonderful things that I thought of you.  
So tonight sweet dreams and sleep tight.  
I've been trying so hard.  
Can't get you out of my mind.  
And if this is how it has to be.  
Just promise you won't forget me.  
And I'll leave you with this lullaby, tonight.
