

Erotic City

Prince & The Revolution

I... I...I... I...

Erotic City

Erotic City All of my purple life

I've been looking for a dame

That would wanna be my wife

That was my intention, babe If we cannot make babies,

maybe we can make some time

Thoughts of pretty u and me,

Erotic City come alive

We can funk until the dawn,

making love 'til cherry's gone

Erotic City can't u see,

thoughts of pretty u and me

Everytime I comb my hair

Thoughts of u get in my eyes

U're a sinner, I don't care

I just want your creamy thighs If we cannot make babies,

maybe we can make some time

Thoughts of pretty u and me,

Erotic City come alive

We can funk until the dawn,

making love 'til cherry's gone

Erotic City can't u see,

thoughts of pretty u and me All of my hang-ups r gone

How I wish u felt the same

We can funk until the dawn

('Til the dawn) (Until the dawn)

How I wish u were my dame

(Baby won't u call my name)

If we cannot make babies,

maybe we can make some time

Thoughts of pretty u and me,

Erotic City come alive

We can funk until the dawn,

making love 'til cherry's gone

Erotic City can't u see,

thoughts of pretty u and me Baby, u're so creamy If we cannot make babies,

maybe we can make some time

Thoughts of pretty u and me,

Erotic City come alive

We can funk until the dawn,

making love 'til cherry's gone ('Til the dawn)

Erotic City can't u see,
thoughts of pretty u and me If we cannot make babies,
maybe we can make some time (U and me)
Some time, some time, some time, Erotic City
If we cannot make babies,
maybe we can make some time
Thoughts of pretty u and me,
Erotic City come alive We can funk until the dawn,
making love 'til cherry's gone (Come alive)
Erotic City can't u see,
thoughts of pretty u and me
We can funk until the dawn,
making love 'til cherry's gone
Erotic City Erotic City
