

# Almost Maybes

Jordan Davis

I had one saying we were done  
In a Baton Rouge college bar  
Kinda came out of nowhere  
Man, I took that one pretty hard  
I had another one in another town  
And I spent a whole lot of nights missing her  
'Til it all went black, she stopped texting back  
And I finally got the picture Here's to the almost, so close  
It's over out of the blues  
Here's to the hey I think we need to talk  
And the it ain't me it's you  
Here's to the tears and beers and wasted years  
On the weeds that looked like daisies  
I wouldn't be sitting here next to you  
If it weren't for the almost maybes  
Here's to the one that my family thought  
Was gonna make me drop to one knee  
And I tried like hell but I couldn't help  
My mama loved her more than me  
And to all those July crushes  
Turning into September leavin's  
Goodbyes that didn't feel good back then  
It happened for a real good reason Here's to the almost, so close  
It's over out of the blues  
Here's to the hey I think we need to talk  
And the it ain't me it's you  
Here's to the tears and beers and wasted years  
On the weeds that looked like daisies  
I wouldn't be sitting here next to you  
If it weren't for the almost maybes If not for the almost maybes  
Wouldn't be no all alone's  
Wouldn't be no sad songs  
Wouldn't be no had enough, pick yourself up and get to moving on's  
From the didn't work outs  
The girls next door and the bat shit crazies  
There wouldn't be no you and me right now  
If it weren't for the almost maybes Here's to the almost, so close  
It's over out of the blues  
Here's to the hey I think we need to talk  
And the it ain't me it's you  
Here's to the tears and beers and wasted years  
On the weeds that looked like daisies

I wouldn't be sitting here next to you  
If it weren't for the almost maybes  
If not for the almost maybes  
No it wouldn't be no you and me  
right now  
If it weren't for the almost maybes
