

Beloved

Jordan Feliz

Head full of questions, how can you measure up?

To deserve affection to ever be enough

For this existance

When did it get so hard?

Your heart is beating, alive and breathing

And there's a reason why

You are essential, not accidental

And you should realize

You are beloved

I wanted you to know

You are beloved

Let it soak into your soul

Oh, forget the lies you heard

Rise above the hurt

And listen to these words

You are beloved

I wanted you to know

You are beloved

You are beloved

Sometimes a heart can feel like a heavy weight

It pulls you under and you just fall away

Is anybody gonna hear you call?

Oh, oh

But there's a purpose

Under the surface

And you don't have to drown

Let me remind you

That love will find you

Let it lift you out

You are beloved

I wanted you to know

You are beloved

Let it soak into your soul

Oh, forget the lies you heard

Rise above the hurt

And listen to these words

You are beloved

I wanted you to know

You are beloved

Don't be afraid

Don't let hope, faith keep your eyes fixed on the line above

In the heartbreak, in your mistakes, nothing can separate you from love

Don't be afraid
Don't let hope, faith keep your eyes fixed on the line above
In the heartbreak, in your mistakes, nothing can separate you from love
You are beloved
I wanted you to know
You are beloved
Let it soak into your soul
Forget the lies you heard
Rise above the hurt
And listen to these words
You are beloved
I wanted you to know
You are beloved
You are beloved
You are beloved
Don't be afraid
Don't let hope, faith keep your eyes fixed on the line above
In the heartbreak, in your mistakes, nothing can separate you from love
You are beloved
