

Love Gone Wrong

You+Me

Baby, baby, don't you come my way no more
I don't want you knocking at my doors
Baby, baby, why you treat me so damn mean?
When I gave you my love, more than you ever seen
Baby, baby, oh can't you see my pain
Don't you understand what it's like to feel this way
Baby, baby, don't you come my way no more
Cause it won't be like the way it was before Ours was just a love gone wrong
Don't that sound like the same old song
This time I'm gonna be moving on
Cause baby I'm gone, I'm gone, gone, gone
I'm gone for good
Baby, baby, think you got this solely wrong
You were missing just stood me, and my love and all alone
Baby, baby, could've all worked out just fine
But you came breaking me down
And working me time after time
And you say, Baby, baby, oh can I see your pain?
Don't I understand what it's like to feel this way
Well, let me tell you baby Baby, baby, won't you step into these shoes
Walk a mile with me
And then tell me who hurt who OOOOOOW Ours was just a love gone wrong
Don't that sound like the same old song
This time I'm gonna moving on
Cause baby I'm gone, I'm gone, gone, gone
I'm gone for good
We can go our separate ways
Hoping to fight a better day
And there's no one there to chase
Won't you remaise
We wanted the same Ours was just a love gone wrong
Don't that sound like a same old song
This time I'm gonna moving on
Cause baby I'm gone, I'm gone, gone, gone
I'm gone for good
