Boosie he be thuggin, hat to the back  
Rollin' through the trap with the strap in my lap  
Peter pan fit, my favorite color green  
When the cameras say action, you see sum shyt u never seen  
Bad bitches love me, dey wanna rip me out the frame  
And I make they pussy jump out they drawers into my hands  
Got my name on my chain, let u know it's me
