

Your Love Never Fails (feat. Chris Quilala)

Jesus Culture

Nothing can separate
Even if I run away
Your love never fails I know I still make mistakes
But You have new mercies for me everyday
Your love never fails You stay the same through the ages
Your love never changes
There maybe pain in the night
But joy comes in the morning And when the oceans rage
I don't have to be afraid
Because I know that You love me
Your love never fails
The wind is strong and the water's deep
But I'm not alone here in these open seas
'Cause Your love never fails The chasm is far too wide
I never thought I'd reach the other side
But Your love never fails, Your love You stay the same through the ages
Your love never changes
There maybe pain in the night
But joy comes in the morning And when the oceans rage
I don't have to be afraid
Because I know that You love me
Your love never fails 'Cause You make all things work together for my good
And You make all things work together for my good
You make all things work together for my good
You make all things work together for my good
You make all things work together for my good
You make all things work together for my good
'Cause You stay You stay the same through the ages
Your love never changes
There maybe pain in the night
But joy comes in the morning And when the oceans rage
I don't have to be afraid
Because I know that You love me
Oh, Your love never fails Your love never fails
You make all things work together for my good
You make all things work together for my good
You make all things work together for my good
You make all things work together for my good You make all things work together for my good
You make all things work together for my good
You make all things work together for my good You make, You make all things work together
for my good
You make all things work together for my good

You make all things work together for my good
'Cause You make all things work together for my good You stay the same through the ages
Your love never changes
There maybe pain in the night
But joy comes in the morning, oh And when the oceans rage
I don't have to be afraid
Because I know that You love me
