

# Million Reasons

## Lady Gaga

You're giving me a million reasons to let you go  
You're giving me a million reasons to quit the show  
    You're giving me a million reasons  
        Give me a million reasons  
        Giving me a million reasons  
About a million reasons If I had a highway, I would run for the hills  
    If you could find a dry way, I'd forever be still  
    But you're giving me a million reasons  
        Give me a million reasons  
        Giving me a million reasons  
About a million reasons I bow down to pray  
    I try to make the worst seem better  
        Lord, show me the way  
    To cut through all his worn out leather  
    I've got a hundred million reasons to walk away  
But, baby, I just need one good one to stay Head stuck in a cycle, I look off and I stare  
    It's like that I've stopped breathing, but completely aware  
    'Cause you're giving me a million reasons  
        Give me a million reasons  
        Giving me a million reasons  
About a million reasons And if you say something that you might even mean  
    It's hard to even fathom which parts I should believe  
    'Cause you're giving me a million reasons  
        Give me a million reasons  
        Giving me a million reasons  
About a million reasons I bow down to pray  
    I try to make the worst seem better  
        Lord, show me the way  
    To cut through all his worn out leather  
    I've got a hundred million reasons to walk away  
But, baby, I just need one good one to stay Oh, baby, I'm bleeding, bleeding, ey...  
Can't you give me what I'm needing, needing? Every heartbreak makes it hard to keep the faith  
    But, baby, I just need one good one  
    Good one, good one, good one, good one, good one When I bow down to pray  
    I try to make the worst seem better  
        Lord, show me the way  
To cut through all his worn out leather I've got a hundred million reasons to walk away  
    But, baby, I just need one good one, good one  
    Tell me that you'll be the good one, good one  
    Baby, I just need one good one to stay
