

Get Along (feat Pace Won)

Morcheeba

And so the end begins
As thunder rumbles in
I just start to gain sense
Fat chances now seem slim
Get along
Get acquainted
Get along
Demonstrated
Get along
Get creative
Get along
And so the deep ends
As day breaks sweat is in
Staggering with no desire
I used to watch and win
Get along
Get acquainted
Get along
Demonstrated
Wooh... I'd give my life to win some love from you Yo'
