Slim Thug

When I hit the club all the girls show me love
While I'm at the bar, got drank by the jug
In the VIP with the chicks and the drugs
It's the TIP Bun-B and slim thug
When I hit the club all the girls show me love
While I'm at the bar, got drank by the jug
In the VIP with the chicks and the drugs
It's the TIP, Bun-B and slim thug I got drank by the Pint Dro by the pound
Headed to the club in the boss top down
Slim thug 'bout to clown represent H-Town
If you love me you gon' smile if you hate me you gon' frown
'Cause me and my boss hoggs bout to ball till we fall
This year, I won't stall, slim thugga want it all
Goin' solo, first CD out that nots slow-mo

Got a fetish for thick girls that's caramel brown
