## Becky G.

Montana

You know what it is, when you hear that, han  
Becky GI'm on it, I'm on it  
yeah you know I'm on it  
Popping, drinking, smoking,  
We gon' be here 'till the morning  
The morning, the morning  
Sweatinf 'till the morning  
The way I move my body, boy you're loving my performance  
You want it, you want it, yeah, I know you want it  
Feeling on my body, baby, do I make you want me?  
Higher, higher  
let me take you higher  
Come and let me put some gasolina on the fire  
Zooted, I'm zooted  
The room is spinning 'round and 'round  
And tonight goin' stupid  
I wanna wake up in the clouds  
Tell my friends I'm pullin' up  
Put some liquor in my cup  
Because I'm zooted, so zooted  
I'm getting higher off your love Zooted, zooted, zooted  
Zooted, zooted, zooted  
Zooted, zooted, zooted  
Zooted, zooted, zooted  
Montana (yeah)  
Hop in get ghost in a Phantom  
With a topic in the tropicanas  
100 chains on me, do the dancing  
Let me take you back to the mansion  
Shawty, every night we getting madder  
Looking at the haters, make 'em mad  
1 shot, 2 shots, turn it up  
Two stepping to the name of love  
Ray-bans, getting low from the ground, I know  
Designer all black and white, panda  
Diamond flashing like the paparazzi cameras  
Zooting in Maldives catching tans  
Fly, pelican, fly  
Scarface  
Lambo's on the doorway  
We high baby, for life

French Vanilla all day  
 I'm in love with you small waist  
 Back it up, dirty wine it  
 Baby, everyday we gon' shine, shine, shine Zooted, I'm zooted  
 The room is spinning 'round and 'round  
 And tonight goin' stupid  
 I wanna wake up in the clouds  
 Tell my friends I'm pullin' up  
 Put some liquor in my cup  
 'Cause I'm zooted, so zooted  
 I'm getting higher off your love Zooted, zooted, zooted  
 Zooted, zooted, zooted  
 Zooted, zooted, zooted  
 Zooted, zooted, zooted Ya, ya, ya, ya, Farru! Se abren las puertas pa arriba del Lambo  
 Abran paso que por hay va entrar rambo  
 Ready junto a la tropa vamo al mambo  
 Hoy se rompe y este ritmo lo baila hasta el sambo  
 Empezó la movie, hueso culé  
 Que muevan esa chapota pa' uno ver  
 ¿Ahora qué es? La llama mujer  
 Que ella mismo me trepó en la mesa y llueven yo me los dí a cien Un fuego, que prendan la  
 movie  
 Un juego, no le baja y le suben  
 Un fuego, todo el mundo baja al lobby  
 Porque el fuego se prendió el hotel (fire)  
 Un fuego, que prendan la movie  
 Un juego, no le baja y le suben  
 Un fuego, todo el mundo baja al lobby  
 Porque el fuego se prendió el hotel (fire) Zooted, I'm zooted  
 The room is spinning 'round and 'round  
 And tonight goin' stupid  
 I wanna wake up in the clouds  
 Tell my friends I'm pullin' up  
 Put some liquor in my cup  
 'Cause I'm zooted, so zooted  
 I'm getting higher off your love Zooted, zooted, zooted  
 Zooted, zooted, zooted  
 Zooted, zooted, zooted  
 Zooted, zooted, zooted
