

Original (feat. Birdman & Lil Wayne)

Mystikal

Birds for the summer
Hummers for the runners
Candy on the paint
9 for the thunder
Throw a couple hundreds
Fishing on a fishtail
big money shit, Cash Money oilwell
High roller, shot caller, big boss
Original, real nigga from the start
Head huntin', price on a nigga tab
Hit 'em up, for playing with a nigga male
Niggas Way I'm better than Beethoven
To the beat that I rap over
Stay outta that medicine cabinet
Yeah, that's what they told me
Giving us piss tests, cause we stay rollin'
And know a nigga act better than a .45 caliber pistol when they loading
They penalize us, tryna slow us down
They constantly f-cking us up
That's why we're buck wild
Call me porch monkey, call me jigaboo
When you know you wanna f-ck my woman and eat my barbeque
How the f-ck you gon' watch my house
But don't wanna live on my street
The ape man told Tarzan "how the f-ck you better than me?"
Rap I run that rock, and got a jump shot
Who we got that black wife, up in that white house
I took a look and didn't sell out
I was in the? and didn't bail out
Hoping the, didn't fail out
Back to the top from the jail house
Lace 'em up, tie ya shoe
Catch a cut, you know what pressure do
Birds for the summer
Hummers for the runners
Candy on the paint
9 for the thunder
Throw a couple hundreds
Fishing on a fishtail
big money shit, cash money oilwell
High roller, shot caller, big boss
Original, real nigga from the start

Head huntin', price on a nigga tab
Hit 'em up, for playing with a f-cking male
Who out c'here f-cking with me, huh? tell me that
I'm bout to drop that sh-t, where my pamper at?
Try to answer that, or give me my mantle back
I bury you cockroaches, shoulda left me where I was at
You dun made that f-cking bed
You dun built this f-cking castle? Yeah nigga what the hell
Talking baby business, yeah
Don't be f-cking with me
Cause you wont get off easy
I feel just like Drew Brees
When they kick off football season
How I cut the ref, you can't stop me from bleeding
Rappers betta leave me 'lone
If they gon' keep on breathing
Now keep on starving and I'mma gonna keep on eating
And you keep on sucking, and I'mma keep on skeetin
You gon' be the one bussing or be the one fleeing
You better keep on trucking
Ain't nobody wanna f-ck with me this evening
Birds for the summer
Hummers for the runners
Candy on the paint
9 for the thunder
Throw a couple hundreds
Fishing on a fishtail
big money shit, cash money oilwell
High roller, shot caller, big boss
Original, real nigga from the start
Head huntin', price on a nigga tab
Hit 'em up, for playing with a nigga male
Uh, ain't it crazy how shit be
That's why I flush it
I got the Tommy gun with the drum
That's percussion
I just popped a couple pain pills, self destruction
I made something out of nothing, thanks for nothin'
I pistol whip ya bitch, knock her out Robitussin
Ran up in your house, killed everybody, no discussion
Rep, that muthaf-cking red flag like a Russian
Yeah, look, I told her baby I'm a thrasher
We kissed, I lit her ass up than I ashed her
No hard feelings, no car dealing, but I shuffle my queen
Duffle bag too heavy to carry to the car
My Mary in a jar
I'm food, I let the haters add a little salt
That's cool, I do it for all the niggas that try
And all the bitches I've f-cked, and all my niggas that died
