

Set Me On Fire

Pendulum

So take me up
We're going on, going on
So take me up
We're going on, going on
So take me up
We're going on, going on
So take me up
We're going on, going on
We're going on outside the
While I met some boy
While cross the Rivanna, Quasimana
Rain came fisted and bright
It must be Alta Vada, Alta Vada tras
While I met some boy
While across the Rivanna, Quasimana
Rain come fisted and bright
It must be Alta Vada, tell 'em again
We're going on outside the
Rain come fisted and bright
It must be Alta Vada, tell 'em again
We're going on outside the
While I met some boy
While cross the Rivanna, Quasimana
Rain came fisted and bright
It must be Alta Vada, Alta Vada tras
While I met some boy
While across the Rivanna, Quasimana
Rain come fisted and bright
It must be Alta Vada, tell 'em again
