

# Truth or Dare (feat. Little Daylight)

## R3HAB

I know you're thinking 'bout my kiss  
You're staring at my lips, just tell me what you want from me  
(Tell me what you want from me)  
I know it 'cause I feel it, too  
But I need to hear the truth, yeah, tell me what you want from me  
(Tell me what you want from me) Take me to the bridge, lay me on the ground  
No more holding back now, time is running out  
Come on, baby, truth or dare? Truth or dare?  
Now that we're alone, show me who you are  
Tell me that you want me, take me in your arms  
Come on, baby, truth or dare? Truth or dare?  
Truth or dare? I'm daring you to cross the line  
I can't wait another night, just tell me what you want from me  
(Tell me what you want from me)  
And you're telling me that you're too shy  
And I see it in your eyes, so tell me what you want from me  
(Tell me what you want from me) Take me to the bridge, lay me on the ground  
No more holding back now, time is running out  
Come on, baby, truth or dare? Truth or dare?  
Now that we're alone, show me who you are  
Tell me that you want me, take me in your arms  
Come on, baby, truth or dare? Truth or dare? Truth or dare?  
I'm not a ghost love, just wanna lose control  
We could be so free, you and me  
I wanna feel the head rush, wanna feel your touch  
Baby, take me there, truth or dare? Truth or dare?
