## **One Lonely Visitor**

## Chevelle

Am I alone in here?

Am I alone in here?

Am I alone in here?

Am I alone in here? Knew you were here

Sister confirms suspicions

And besides the note you left on my

Bed where I held you so close...

Did you think I'd forget?

Couldn't be more of a mess

For to breathe used to be another

Way I'd take you in.

Well it's time to wake up

And separate feelings

That I keep falling into

Each seems like good reasons

But I feel a breakdown

I don't care if it shows up

I'm praying this for you

'Til it's answered I'll say...Now it seems there's a choice

That began with a break

So today know that never again

Will i know you that way...

Well it's time to wake up

And separate feelings

That I keep falling into

Each seems like good reasons

But I feel a breakdown

I don't care if it shows up

I'm praying this for you

'Til it's answered I'll say...Am I alone in here?

Am I alone in here?
