

If I Ever Lose My Faith In You

Sting

You could say I lost my faith in science and progress
You could say I lost my belief in the holy church
You could say I lost my sense of direction
You could say all of this and worse but If I ever lose my faith in you
There'd be nothing left for me to do Some would say I was a lost man in a lost world
You could say I lost my faith in the people on TV
You could say I'd lost my belief in our politicians
They all seemed like game show hosts to me
If I ever lose my faith in you
There'd be nothing left for me to do
Hey hey I could be lost inside their lies without a trace
But every time I close my eyes I see your face I never saw no miracle of science
That didn't go from a - a blessing to a curse
I never saw no military solution
That didn't always end up as something worse but
Let me say this first
If I ever lose my faith in you
(If I ever lose my faith in you)
There'd be nothing left for me to do
(There'd be nothing left for me to do)
If I ever lose my faith
If I ever lose my faith
If I ever lose my faith
If I ever lose my faith
In you...
