

How Did I Fall in Love with You

Backstreet Boys

Remember when, we never needed each other
The best of friends like sister and brother
We understood we'd never be alone Those days are gone Now I want you so much
The night is long
and I need your touch Don't know what to say
Never meant to feel this way
Don't wanna be alone tonight
What can I do to make you mine?
Fallen so hard, so fast this time
What did I say, what did you do? How did I fall in love with you? I hear your voice and I start to
tremble
Brings back the child that I resemble
I cannot pretend that we can still be friends Don't wanna be alone tonight
What can I do to make you mine?
Fallen so hard, so fast this time What did I say, what did you do?
How did I fall in love with you? Ooh I wanna say this right
And it has to be tonight
Just need you to know
I don't wanna live this life
I don't wanna say goodbye
with you i wanna spend
The rest of our lives:
What can I do to make you mine?
Fallen so hard, so fast this time
What did I say, what did you do?
How did I fall in love with you?
What can I do to make you mine?
Fallen so hard, so fast this time
Everything's changed, we never knew
How did I fall in love with you?
