

# Jesus Will Fix It

Al Green

(I know) Jesus, He will fix it, for you,  
He knows just what to do.  
Whenever you pray, let Him have His way,  
(I know) Jesus He will fix it for you.

(repeat)

(Let me tell you, let me tell you something)  
Jesus, He's fixed it for me,  
(yes He did) He knows, knows just what, what I need.  
(repeat Whenever you pray...)

(Hey Hey Jesus)

Jesus, He will fix it

I know that Jesus He will fix it (repeat)

Jesus, He'll fix it (repeat several times)
