

By Your Side

Sade

You think I'd leave your side, baby
You know me better than that
You think I'd leave you down when you're down on your knees
I wouldn't do that I'll tell you, you're right when you want
Aaah aaah aaah aaah
If only you could see into me Oh when you're cold, I'll be there
Hold you tight to me
When you're on the outside, baby, and you can't get in
I will show you, you're so much better than you know When you're lost and you're alone and
you can't get back again
I will find you darling and I will bring you home
And if you want to cry
I am here to dry your eyes And in no time, you'll be fine You think I'd leave your side, baby
You know me better than that
You think I'd leave you down when you're down on your knees
I wouldn't do that
I'll tell you, you're right when you want
Aaah, if only you could see into me
Oh when you're cold, I'll be there
Hold you tight to me
Oh when you're low
I'll be there by your side, baby
Oh when you're cold, I'll be there
Hold you tight to me
Oh when you're low
I'll be there by your side, baby
