Damn I dont wanna be a player

Damn I dont wanna be a player  
I just want you to wine  
Slow on me like a Jamaican  
I'm addicted to bad bitches  
Like I never had bitches  
They no I'm the man  
I ain't braggin I'm just sayin  
Tell me why you hatin on me  
Why you really mad  
My bitch look like a good girl  
And she so fucking bad  
Throw your Hood up on they ass  
If you a pull up on they ass  
Don't get hit I'm with that shit  
Like i got a pull up on my ass nigga  
And they making up stories  
Say anything  
They just mad cause my ass

Mad cause they fans aint they fans  
They my fans now  
Im the hottest yunggin hands down  
From the A to the heights  
I know hittas up there  
Stone cold killas up there  
Man they drillin up there  
Aint from My hood  
Aint no chillen up there  
Man they reckless  
They shoot kids and woman up there  
And with the general  
Tellin niggas to stand down  
Shita get critical  
Shoulda listened  
The man down  
I met this bitch and i told her  
Look I aint playin around  
I aint stayin round

I just want you to pull your pants down  
I'm just sayin girl I dont wanna be a player  
I just want you to wine  
Slow on me like a Jamaican  
I'm addicted to bad bitches  
Like I never had bitches  
They no I'm the man  
I aint braggin I'm just sayin  
Girl Damn  
Look now let me switch it  
You chasing that bitch you trippen  
She look at me like she with it  
I know she gon' let me hit it  
Sometimes i feel like  
I live in a wishing well  
Cause all these niggas  
Droppin dimes man they quick to tell  
Free the whole mob  
Free the whole mob nigga  
I be smoking deasel  
Till i doze off nigga  
Time to show off nigga  
Man i thought i told yall niggas  
TNB the squad we got all the hoes  
My nigga  
Was a young boy  
And they aint wanna nigga  
Now i grew up boy  
They just wanna fuck a nigga  
They chasin money nigga  
They dont really love a nigga  
I let them bitches no I aint like them other niggas  
But now my main bitch  
Be trippen off my other bitch  
And that other bitch be trippen  
Off another Bitch

But all of that complainin  
Just making me not none of them  
So i told all them bitches

I just want you to wine slow  
On me like a Jamaican

Like I never had bitches  
They no I'm the man  
I ain't braggin I'm just saying  
Tell me why you hatin on me  
Why you really mad  
My bitch look like a good girl  
And she so fucking bad  
Throw your Hood up on they ass  
If you a pull up on they ass  
Don't get hit I'm with that shit  
Like I got a pull up on my ass nigga
