

Burning Heart

Survivor

Two worlds collide, rival nations
It's a primitive clash
Venting years of frustrations
Bravely we hope against all hope
There is so much at stake
Seems our freedom's up against the ropes
Does the crowd understand
Is it east versus west
Or man against man?
Can any nation stand alone?
In the burning heart just about to burst
There's a quest for answers an unquenchable thirst
In the darkest night rising like a spire
In the burning heart the unmistakable fire
(In the burning heart)
In the warriors code there's no surrender
Though his body says stop
His spirit cries, never
Deep in our soul a quiet ember
Know it's you against you
It's the paradox that drives us on
It's a battle of wills
In the heat of attack
It's the passion that kills
The victory is yours alone
In the burning heart just about to burst
There's a quest for answers an unquenchable thirst
In the darkest night rising like a spire
In the burning heart the unmistakable fire
In the burning heart just about to burst
There's a quest for answers an unquenchable thirst
In the darkest night rising like a spire
In the burning heart the unmistakable fire
In the burning heart just about to burst
There's a quest for answers an unquenchable thirst
In the darkest night rising like a spire
In the burning heart the unmistakable fire
In the burning heart
