

Shut up About Politics (feat. The Five)

[John Rich](#)

Shut up about politics
Ain't nothing but a big pile of dirty tricks
I'm tired of all the fighting and the bitching fits
So shut up about politics You punch left, I punch right
We're caught up in the middle of a deep swamp fight
Some people lie, some people steal
And everybody's talking 'bout the great new deal Shut up about politics
Ain't nothing but a big pile of dirty tricks
I'm tired of all the fighting and the bitching fits
So shut up about politics
All this [?] carrying on
It's been going on a little too long
But I got something to fix us all up
Take a shot of my whiskey from a big red cup Shut up about politics
Ain't nothing but a big pile of dirty tricks
I'm tired of all the fighting and the bitching fits
So shut up about politics Shut up about politics
Ain't nothing but a big pile of dirty tricks
I'm tired of all the fighting and the bitching fits
So shut up about politics
Shut up about politics
Ain't nothing but a big pile of dirty tricks
I'm tired of all the fighting and the bitching fits
So shut up about politics Shut up about politics
So shut up about politics
