

Beautiful Freaks

Hot Chelle Rae

All you beautiful freaks
Just grab somebody and light the place up
Light the place up, yeah
If you're a beautiful freak
No sleep, light the place up
Light the place up, yeah Oh ohhh, oh
Oh ohhh, oh
Oh, oh,
Ohhh, oh,
Oh, oh, ohhh Down town spin it around
Speakers about to blow out
I cant keep my feet on the ground
(feet on the ground) Yeahh
And it's you next to me
Livin super fast blowin daddy's cash
Call the cops, close the streets
Cause this shits about to burn down All you beautiful freaks
Just grab somebody and light the place up
Light the place up, yeah
If you're a beautiful freak
No sleep, light the place up
Light the place up, yeah Oh ohhh, oh
Oh ohhh, oh
Oh, oh,
Ohhh, oh,
Oh, oh, ohhh
Check, set, goin hardcore
Crash in through back door
Rich girl gimme some more
Yeah And it's you next to me
Living super fast blowin daddy's cash
Call the cops, close the streets
Cause this shits about to burn down All you beautiful freaks
Just grab somebody and light the place up
Light the place up, yeah
If you're a beautiful freak
No sleep, light the place up
Light the place up, yeah Oh ohhh, oh

Ima keep on grinnin'
Like a politician up on the stage Elixir in the mixer
It's a temporary fixture
When you livin in this crazy parade All you beautiful freaks
Just grab somebody and light the place up
