I don't know bout you but i'm ready to go (x2) Everybody to the dance floor
L A Z and the S5 50 on 22's so you know she's coming with me
Always ready to go, money i'm ready to blow
Honey you ready to blow? oh you ready to go
Love to floss, love to stunt
Got mommy in the back, got mommy in the front
Love diamonds dog on shinin,
20 years in the game and i'm still grindin You ain't got no money in the bank,
You can hate i don't care what you think
Matter a fact just pour me a drink
Babys looking right, i can tell with your face
Walk like her, talk like a pimp, ball like its all like a pimp
Baby you know who it is, L A Z the pimp with a limp Say what what what
Say what what what
I don't know bout you but i'm ready to go
I don't know bout you but i'm ready to go
You ready to go? I'm ready to go
You ready to go? I'm ready to go
I don't know bout you but i'm ready to go
I don't know bout you but i'm ready to go (x2)
