

# Patience

Shawn Mendes

You hit me up  
It's late at night  
This is the same old story  
Your friends should take your phone away  
I always give in when you tell me lies to reassure me  
I always make the same mistakes Ooh, you give me a little taste  
Love me in then you take it from me  
Oh, I hate that, I love it  
'Cause you're driving me crazy First you say you love me then you say you don't  
I wake up in the mornin' and I'm all alone  
Tell me that you with it then you say you won't  
Can you make your mind?  
Oh please, I'm losing my patience  
You know I'm losing my patience, yeah  
I'm in your room, it's just us two  
I feel you getting closer  
You rest your head upon my chest  
Deep down I know that this should be  
The last time I'm come over  
You always lift me such a mess Ooh, you give me a little taste  
Love me in then you take it from me  
Oh, I hate that, I love it  
'Cause you're driving me crazy First you say you love me then you say you don't  
I wake up in the morning and I'm all alone  
Tell me that you with it then you say you won't  
Can you make your mind?  
Oh please, I'm losing my patience  
You know I'm losing my patience, yeah  
And you gotta stop, if you know  
So I can start letting go  
Cause it's drivin' me crazy  
Yeah, you keep driving me crazy When you say you love me then you say you don't  
I wake up in the morning and I'm all alone  
Tell me that you with it then you say you won't  
Yeah, you're driving me crazy First you say you love me then you say you don't  
I wake up in the morning and I'm all alone  
Tell me that you with it then you say you won't  
Can you make your mind?  
Oh please, I'm losing my patience  
You know I'm losing my patience, yeah  
Please, I'm losing my patience, yeah
