

# Bonkers

## Dizzee Rascal

I wake up everyday its a daydream  
Everything in my life aint what it seems  
I wake up just to go back to sleep  
I act real shallow but Im in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says I got to get a grip  
But I let sanity give me the slip  
Some people think Im bonkers  
But I just think Im free  
Man Im just living my life  
There's nothing crazy about me  
Some people pay for thrills  
But I get mine for free  
Man Im just living my life  
There's nothing crazy about me  
Bonkers

I wake up everyday its a daydream  
Everything in my life aint what it seems  
I wake up just to go back to sleep  
I act real shallow but Im in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says I got to get a grip  
But I let sanity give me the slip  
Some people think Im bonkers  
But I just think Im free  
Man Im just living my life  
There's nothing crazy about me  
Some people pay for thrills  
But I get mine for free  
Man Im just living my life  
There's nothing crazy about me  
Mmmmmmm

I wake up everyday its a daydream  
Everything in my life isnt what it seems  
I wake up just to go back to sleep  
I act real shallow but Im in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says I got to get a grip  
But I let sanity give me the slip  
Bon, bon, bon, bon, bon, bon, bon, bon  
Some people think Im bonkers  
But I just think Im free  
Man Im just living my life

There's nothing crazy about me  
Some people pay for thrills  
But I get mine for free  
Man Im just living my life  
There's nothing crazy about me  
Bonkers

I wake up everyday its a daydream  
Everything in my life aint what it seems  
I wake up just to go back to sleep  
I act real shallow but Im in too deep  
And all I care about is sex and violence  
A heavy bass line is my kind of silence  
Everybody says I got to get a grip  
But I let sanity give me the slip  
Bonkers

Some people think Im bonkers  
But I just think Im free  
Man Im just living my life  
There's nothing crazy about me  
Some people pay for thrills  
But I get mine for free  
Man Im just living my life  
There's nothing crazy about me
